ABOUT CLS E-BOOKS

CLS E-Books is a Portuguese digital publishing house founded by Laura Somerset, dedicated to creating and publishing educational, creative and informative content for children, teens young adults and adults.

Through a combination of storytelling, education and visual creativity, CLS E-Books develop accessible digital publications that encourage reading, learning and personal development.

With a minimalist visual identity and a focus on quality digital content, the company aims to inspire new generations of readers while supporting lifelong learning for all ages.

MISSION

CLS E-Books are committed to promoting education, creativity and cultural development through digital publishing. Our mission is to:

- Encourage reading and lifelong learning.
- Support educational development through accessible digital resources.
- Inspire imagination, curiosity and creativity.
- Share knowledge through fiction, educational materials and informative publications.
- Deliver engaging content for readers of different ages and interests.

VALUES

At CLS E-Books, we believe in:

- Integrity and honesty
- Respect for intellectual property and creative work
- Professionalism and quality
- Sustainable innovation
- Accessibility and inclusivity

Continuous learning and knowledge sharing
